Work Experience

Mortgage Loan Consultant

Pulte Mortgage December 2021- Present

- I take mortgage applications and try to fit a loan program with buyer's needs. I price interest rates and calculate cash to close on all new builds.
- I must meet federal guidelines and regulations to close the loan in a timely manner.
- Customer facing role where great service is at a premium

NFL Player

Denver Broncos - December 2019 to July 2021

Pittsburgh Steelers - May 2018 to December 2019

- I played center but understood and directed all blocking assignments on any given down.
- My job was to lead and coordinate the offensive line into the correct blocking scheme for every play before the quarterback began his snap count
- Generally was a practice squad player but was elevated every so often so I have some in game experience.
- Understanding complex playbooks, applying those concepts in live action against live competition
- Integrating into a team on a moments notice and working with and competing against new players

Tax Accounting Intern

KPMG - Fort Worth, TX January 2017 to March 2017.

I took this internship my last semester of college and my general responsibilities included calculating taxable income as well as fill out IRS tax forms

Education

- B.B.A. in Accounting: Cum Laude
Texas Christian University, Fort Worth Texas
- Licensed Mortgage Loan Originator NMLS #2223246
